

SCIENCE AND TECHNOLOGY-EUROPE AFRICA PROJECT WORKSHOP

The ST-EAP project is pleased to invite you to participate in the workshop to be held in Kenya, Nairobi at Hilton Hotel on 26-27 March 2009. ST-EAP is a project funded under the European Union's Seventh Framework Programme for Research. The objectives of the workshop are as follows:

- Raising awareness among participating European FP7 Researchers of the potential for researchers in Africa to participate in FP7 as well as looking into the challenges thereof.
- Providing a basis for networking between African researchers in order to promote cooperation and coordination between African countries with regard to promoting African participation in FP7.
- Increase awareness of the role of the Science and Technology Framework Programme.
- Foster participation of African researcher in FPs to boost the position of centres of excellence engaging with partners within Europe Research Area.

The draft programme for the workshop is attached for your information. Please fill in the registration form and send it back to info@st-eap.org.

For those who will be travelling from outside Nairobi; airport shuttle will be available to Nairobi Safari Club Hotel. Please contact Ms Patricia Jeconiah to reserve you a shuttle at p.jeconiah@aasciences.org
